

MALTBY PARISH COUNCIL

YOUR VILLAGE NEEDS YOU

Recently Maltby Parish Council have carried out a survey of the village, looking at issues such as public safety, the environment and the aesthetics of the village, with a view to making residents of the village safe and proud to live here.

Some of the issues raised by the survey are quite extensive and the proposals to correct them are quite ambitious. It is identified that with some of the proposals we will require significant funding from external sources, however there are many that can be resolved through willing man power.

Over the coming weeks and months, the Parish Council will be putting a plan together to address the issues identified in an attempt to improve the village and source additional funding and resources where required.

The Parish Council is made up of residents who volunteer their own time to improve the village. However the Parish Council cannot do this on their own and would like to encourage residents, new and old to contribute to these improvements.

The Parish Council will be keeping residents informed of plans and asking for volunteers to carry out some of the improvements identified, which may mean giving up a few hours or days a year to the village.

Let's all pull together and bring back the community spirit to our village, by all of us getting involved.

To keep up to date with what is happening in the village please visit our website on www.maltbyparishcouncil.org.uk or attend our next meeting on Tuesday 18th July 2017, 7.30 p.m. at Maltby Village Hall

Many Thanks

Maltby Parish Council
